PHASE I - INITIAL CLEANUP

Seacrest Services, Inc. will provide the necessary labor, tools, equipment and vehicles required to clean and stack debris blocking community entrances and roadways.

Removal of trees from walkways, buildings, and automobiles as directed by the Board of Directors or Authorized Representative.

Seacrest cannot be held responsible for damage to the irrigation, sod, etc.

Debris generated to be staged on-site unless otherwise directed by the Association.

- Seacrest Services, Inc. complies and abides by all the local, state and federal governmental laws.
- Seacrest Services, Inc. shall furnish all labor, materials, insurance, equipment, and supervision.
- Seacrest Services, Inc. shall perform all work in a neat and workmanlike manner.

By signature below the Association authorizes Seacrest Services, Inc. to perform services as described above in an amount not to exceed $8,000.00

Payments are to be made as follows:
- Payment must be made upon completion of job.
- Payment not received within 30 days of completion will result in 1 ½% per month interest charges.
- If legal action is required to collect monies due, the prevailing party will be entitled to attorney fees.

NOTE: This proposal may be withdrawn by us if not accepted within ninety (90) days and may be canceled with or without cause after thirty (30) days written notice from the Association or Seacrest Services.

Phase I does not include removal of debris, see Phase II through Phase V.

SEACREST SERVICES, INC.
PROPOSAL FOR
(COVERED BRIDGE CONDOMINIUM ASSOCIATION)
2020 Extreme Weather Event Proposed Work

PHASE II

NOTE: Phase II Clean Up operations typically include a proposal between Seacrest and the client (Association) before any action is taken.

Proposal to consist of cut and stack debris along roadway, remove leaves and small debris. See rates below.

PHASE III

Proposal to remove stacked debris piles. See rates below.

PHASE IV

Per request of the Board, proposal to be provided based on damages incurred in the storm (i.e. sod, plant and tree replacement) as well as tree staking and guying, if applicable.

PHASE V

Seacrest to recommend a tree vendor for removal of hangers and restoration pruning, if necessary.

PRICE SCHEDULE 2020

| Labor to stack and haul debris | $35.00/man hour |
| Labor with chainsaw or power pruning equipment | $45.00/man hour |
| Bobcat/operator including machine | $80.00/man hour |
| Loader with operator | $110.00/hour |
| Bucket truck and operator | $100.00/hour |
| Dump truck with driver | $100.00/hour |

NOTE: Dump fees are not included in this proposal.
